

# *Wissahickon Valley Historical Society*

The Wissahickon Valley Historical Society has an exciting year planned and we would like you to join us!

WVHS, founded in 1975, serves the Borough of Ambler and the Townships of Lower Gwynedd and Whitpain. We are interested in promoting the preservation of the local history and architecture of these historic communities.

The Society's headquarters are located in the 1895 Whitpain School House at the corner of Skippack Pike and School Road in Blue Bell. A museum and research library is maintained there.

Presently WVHS is working on the following projects:

- continuing the restoration of the 1895 School House
- cataloguing all library and museum items
- conducting research on local historic resources and educating the public and municipal officials about them
- increasing student participation and membership support.

We invite you to share in the fun, learn the history of our community and be part of the preservation of our historic resources. If you cannot join at this time, please consider a tax-deductible donation.

For further information, please contact:  
Mary Lou McFarland, Membership Chairman, 215-542-9381.  
We hope to meet you soon!
